Ron Warren, a past president of the Board of Directors, a friend, and great champion of youth, passed away on Saturday, March 8. He was 73.

Since February of 1999, Ron has served on the Board of Directors for the Boy & Girls Clubs of Redlands, making a difference for the youth of our community. He used his jovial leadership style and served as Vice President, President, Immediate Past President, and a special one year term as Co-President.

During his Presidency, Ron restructured the Board Committees from nine that reported to the President to three clusters that reported to Vice Presidents. Ron helped champion our 2004 Let's Build A Clubhouse Capital Campaign – helping to secure our first major donor.

In June of 2007, Ron received the National Medallion, the highest honor a local Club can bestow on a Board Member, for his unusually devoted service to the Club.

Ron has been a champion of youth for over 30 years – first as a teacher, then as a school administrator and finally as a Boys & Girls Club Board Member. He will be missed by our entire Boys & Girls Club family.
